COLLABORATION WITH DDMA

District Disaster Management Authority (DDMA) is an interagency coordination initiative led by district and state governments. The SBF decided to collaborate with DDMA to coordinate emergency response initiatives, the activation and deactivation of unified response, and the sharing of information and assessments. It will lead to a common platform for Humanitarian Agencies to come together and plan their actions avoiding duplication and overlapping. In this regard, SBF Volunteers meet with DDMA officers in 11 districts.
